Strategic partner for small and mid cap companies

A STRATEGIC PARTNER, NOT JUST A CONSULTANT

I partner with small and mid-cap companies in healthcare, technology, and industrial services to achieve sustainable growth.

Leveraging over 20 years of C-Suite experience, I simplify complex challenges, secure funding (£20M+ raised), improve operational efficiency (25% gains), and lead successful IPOs.

I SUPPORT LEADERS DURING CRITICAL MOMENTS

- Navigating IPOs, restructuring, or complex corporate transactions with confidence.
- Ensuring robust cash management to meet capital commitments and drive growth objectives.

PARTNER WITH ME

In today's fast-paced financial landscape, C-Suite executives face unprecedented challenges. From navigating economic shifts and evolving financial functions to driving growth and maximising shareholder value, having a strategic partner is essential. By partnering with me, you gain a trusted advisor who works alongside you and on behalf of your organisation's key opinion leaders. Together, we'll build a foundation for enduring growth and resilience in an evolving financial landscape.

RESULTS AT A GLANCE

- £20M+ funding secured for growth initiatives
- Successfully led multiple IPOs across global markets
- Delivered 25% efficiency gains through streamlined operations
- Global expertise supporting businesses in the UK, USA, and Australia.

KEY OFFERINGS

- **Enterprise Value Creation:** Work closely with your organisation to prepare IPOs, optimise market strategies, refine the company's presentation and drive business growth.
- **Strategic Insights:** Develop financial plans, enhance KPI performance, and guide strategic decisions.
- **Operational Excellence:** Managing processes collaboratively alongside executive teams to streamline operations, strengthen governance, and mitigate risks.

Let's unlock your company's potential.
